Intellectual Property Rights:

All content, design elements, photographs, watch models, logos, and technical descriptions available on this website (aaronbecsei.com) are the exclusive intellectual property of BEXEI WATCHES Kft. Any unauthorized reproduction, distribution, or commercial use without prior written permission is strictly prohibited.

We do not sell our products online or through resellers. Our watches can only be purchased directly from us, without the involvement of wholesalers, retailers, or intermediaries. We have no other arrangements (such as licensing agreements) for the manufacture and/or sale of our timepieces by third parties. Our watches are crafted exclusively in Hungary - from initial design to the manufacturing of all components.

Accordingly, please exercise extreme caution if you encounter any product bearing the Aaron Becsei® brand name offered by another company or individual, or any item that is not verifiably manufactured by us in Hungary.
